The District's Taos Express provides weekend premium fare service between Taos, Española and Santa Fe.

Serving Persons with Disabilities

All vehicles are wheelchair accessible. For qualifying persons with disabilities NCRTD also provides an ADA paratransit service within the City of Española. For all other routes, the fixed route bus will "flex" up to ¾ of a mile on paved and/or graveled roads for qualifying persons with disabilities. These are "origin to destination" transportation services for persons with disabilities who cannot use the fixed bus service.

Individuals who wish to be considered for this service will need to complete an application, have the information verified by a medical professional, and be certified by the NCRTD as ADA paratransit eligible. There is no cost for this service. For more information please call (866) 206 0754 or visit our website at RidetheBlueBus.com

The bus operator will assist an individual to get on or off the bus, but will not load or unload the individual's personal belongings or carry-on items. If an individual needs assistance beyond this, he/she must be accompanied by a personal care attendant. Required personal care attendants ride free with the person they are assisting.

About Timed Bus Stops, Other Bus Stops, and How to Read the Schedule

Timed bus stops are major stops along the route. Timed bus stops are reference points indicating when the bus will be at each major stop. Other bus stops may be in between timed bus stops. These stops are shown on the map but not listed in the schedule because they are very close in time to one or more timed bus stops.

To determine when to catch the bus, find the timed bus stops nearest your stop, and read the schedule from left to right. To know when you should arrive at a stop that is between the listed time points, use the time from the timed bus stop before your stop. Time points are approximate, so plan to arrive at the bus stop five minutes early.

If no time is shown, that trip does not serve that time point stop.

About this Route:

- One morning and one afternoon peak roundtrips from Santa Clara to Española Transit Center to Santa Fe.
- Two local roundtrips during the non-peak.
- Connections to other RTD routes are available at the Española Transit Center.
