

Job Announcement

Transportation Analyst/Planner

KFH Group, Inc.

Bethesda, Maryland

KFH Group is seeking a Transportation Analyst or Planner with an interest in public transportation, microtransit and first mile, last mile multi-modal planning for the Bethesda, MD office. The ideal candidate for this position will be a self-starter with excellent communication and quantitative skills. The position's responsibilities will include, but not be limited to:

- Writing and producing professional transportation documents, tools, and presentations for clients and public engagement.
- Analyzing and mapping data in ArcGIS including transit ridership, demographics, land use characteristics, and a wide range of other features.
- Working with the public and engaging communities through a variety of approaches including surveys onboard buses, pop-up events, focus groups, stakeholder interviews, etc.
- Supporting project managers in developing meeting materials, including meeting minutes, public input summaries, drafting recommendations, and final planning documents.
- Conducting research and demonstrating critical thinking in solving transportation challenges.

Applicants will need to be comfortable with the consulting work environment which includes working independently, variable workloads, some travel, and balancing multiple tasks while working with different project teams.

Education and experience requirements include:

- Bachelor's degree in geographic information systems, transportation planning, urban planning, or a related field.
- 2+ years of applicable work experience.
- Demonstrated experience with technical and non-technical writing
- Demonstrated experience with graphic design and report development.

KFH Group is headquartered in downtown Bethesda, Maryland, a thriving urban center home to numerous restaurants, retailers, and community events. Our Bethesda office is a short walk to the Bethesda Metro Station, adjacent to county parking facilities, and on top of the Capital Crescent Trail. More information about KFH Group can be found on our website:

www.kfhgroup.com.

We offer a competitive salary, full benefits (medical, dental, and vision), life insurance, 401(k) retirement plan, parking or transit benefits, and a flexible working environment. We are an Equal Opportunity Employer and seeking a diverse workforce of transportation planning professionals.

If you are interested in a career in transportation and have the skills necessary to be a consultant, please send a cover letter, resume, and a brief work sample or portfolio (design, graphics, GIS maps or sample of written report – 6-pages max) to lschwartz@kfgroup.com.
